

CHARD TOWN COUNCIL

Sheds/Greenhouses on Allotment Plots

The following terms and conditions apply if you wish to place a shed or greenhouse on your allotment plot:-

1. Only one shed or greenhouse to be erected per plot.
2. Any shed, greenhouse or poly tunnel to be without a concrete base.
3. No shed or greenhouse to exceed 3M x 2M in ground dimensions.
4. Sheds to be of timber, plastic or tin construction.
5. The allotment holder to be responsible for ascertaining whether planning permission is required and for obtaining such permission if so.
6. The allotment holder to be responsible for removing the shed, greenhouse or poly tunnel from site and restoring the ground to a fit state for cultivation upon his/her vacation of the plot.
7. The allotment holder indicating his/her understanding that the Chard Town Council accepts no responsibility for any damage, which might be caused to the shed, greenhouse or polytunnel by others.

I have read and understood the above terms and conditions and I agree to abide by them.
