Section 3 – External Auditor's Report and Certificate 2025/26

In respect of **Chard Town Council – SO0057**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

Except for matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 5 has been incorrectly completed. Information received from the smaller authority highlights that risk management arrangements were not reviewed and approved by the authority as a whole during the year. As a result, this assertion should have been answered 'No'. This is consistent with the Internal Auditor's report to Internal Control Objective C

Section 1, Assertion 10 has been incorrectly completed, as the smaller authority has not adopted an IT policy, to include training of members re digital and data compliance. This is consistent with the Internal Auditor's report to Internal Control Objective O

The AGAR has not been fully completed before submission for review:

- The date of approval has been omitted from Section 2. The minutes of the meeting at which the AGAR was approved have been reviewed and demonstrate that Sections 1 and 2 were approved in the correct order in the meeting on 18 May 2026. The smaller authority should ensure that the correct dates are recorded on the AGAR in future.

Other matters not affecting our opinion which we draw to the attention of the authority:

None

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
