Extraordinary Full Council Meeting – 12th October 2026

Public Participation

Thank you for attending the Town Council's Extraordinary Full Council meeting 12 October 2026 and for making your statement and/or asking your question.

You will be aware that the Council then entered Exempt (confidential) session. Your contributions helped the Council reach its Decisions.

The Motion to immediately withhold Council funding of the Hive was withdrawn. Council Decided that the Town Clerk should undertake a Review of the Hive's compliance (with its Service Level Agreement with the Town Council) with the Hive.

That Review has been undertaken in dialogue with the Hive. It is planned to be presented to Full Council 16 November 2026 and will be a public document planned to be available 12 November 2026 on the Council's website.

Thank you and please contact me if I can provide more information.
